Helping People, Changing Lives

Dear Mr. Ted Larson:

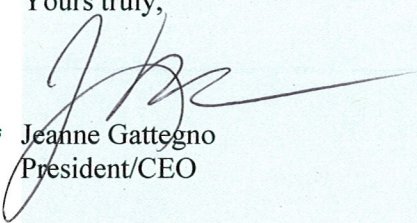

This is just a quick note, from my heart to yours, as I begin another day here at Westbay Community Action helping to improve the lives of Kent County residents, one family at a time.

Thank you for your generous donation you collect for the Westbay Marketplace.

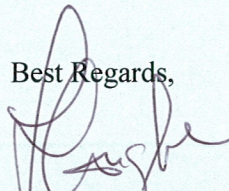

From our children's center to our elder care case management program to our food pantry, all of Westbay's programs will be touched by your generosity. As you may know, Westbay is the only multi-service agency serving the basic needs of Kent County residents. We help individuals and families achieve greater self-sufficiency and improve their lives. In the past year, we served over 16,000 individuals. As we strive to make a difference, we are honored and grateful to have you part of our team.

You can read about our programs-and your important role in them-by visiting our website at [www.westbaycap.org](http://www.westbaycap.org).

Yours truly,

  
Jeanne Gattegno  
President/CEO

Best Regards,

  
Larry Coughlin  
Director of Food Services
